Mr Big frontman Eric Martin completed a solo tour of the UK and Ireland with gigs in Belfast on 27th August and Dublin on 28th August. Support on both nights came from Grainne Duffy. I was at the gig in Voodoo, Belfast and took a few videos. Two of Grainne Duffy and five of Eric Martin performing some Mr Big tracks.

I posted an interview with Eric back in January 2013. Maybe next time he comes back I'll get him onto the Show beforehand for a chat! <http://www.rockradioni.co.uk/interviews/1146-ni-rocks-interview-with-mr-big-frontman-eric-martin.html>
