Richie Sambora returns to Belfast for the first time in over 20 years when he plays at the Ulster Hall on 1st July. The Belfast date is part of a European tour that sees Richie playing alongside guitarist Orianthi and follows a number of successful shows in Australia and the USA.

Darren and Nigel from Rock Radio NI spoke to Richie on 3rd June, just four weeks before the Belfast show and talked about the tour, working on the new album and much more. The interview was first broadcast on the Friday NI Rocks Show on 6th June and was then available for 8 weeks via the On Demand Player. The show from 6th June which includes the interview can be heard at <http://www.mixcloud.com/NIROcks/>

Read the transcription of the interview below.

There's an interview with Orianthi recorded just before the gig on 1st July here - <http://www.rockradioni.co.uk/interviews/1587-ni-rocks-interview-with-orianthi.html> - there are also videos and pictures from that gig at the same link.
