Graham Bonnet is one of those legendary names in rock music. The former frontman of Rainbow, the Michael Schenker Group, Alcatrazz etc has just released a new album and completed a UK tour in support of it. "The Book", by the Graham Bonnet Band was released through Frontiers on 4th November and contains one CD of new material and one of tracks from Graham's past that have been re-recorded. I spoke with Graham just before he went on stage in The Limelight in Belfast on 19th November to talk about the new album, future plans etc.

That interview was initially broadcast on the Friday NI Rocks Show on 25th November. You can listen to it on the NI Rocks MixCloud page - <https://www.mixcloud.com/NIrocks/interview-with-graham-bonnet-on-the-friday-ni-rocks-show-on-25th-nov-2016/>
