House of Lords recently released their 11th studio album "Saint of the Lost Souls" through Frontiers Records. I spoke to guitarist Jimi Bell via Skype on 5th April to chat about the new album, House of Lords, Maxx Explosion, guitars, his influences and more. That interview along with 4 tracks from the new House of Lords album and a Maxx Explosion track was originally broadcast on the Friday NI Rocks Show dated 7th April. That Show is now available on our MixCloud page - <https://www.mixcloud.com/NIROcks/interview-with-jimi-bell-from-house-of-lords-on-the-friday-ni-rocks-show-on-7th-april/>
