Australian guitarist and singer Orianthi released her new album "O" through Frontiers Music on 6th November. I had the opportunity to chat to her via Skype a couple of days before the album was released. We talked about the new album, future plans, working with Richie Sambora on the RSO project and much more. That interview was featured on the Friday NI Rocks Show on 13th November and that Show is now available on our MixCloud page - <https://www.mixcloud.com/NIROcks/interview-with-orianthi-on-the-friday-ni-rocks-show-13th-nov-2020/>

I last interviewed Orianthi back in 2014 in the Ulster Hall in Belfast when she was on tour with Richie. You can find that interview on our MixCloud page or read it here - <http://www.rockradioni.co.uk/interviews/1587-ni-rocks-interview-with-orianthi.html>
