Last Known Addiction a local band and good friends of RRNI are currently battling it out with bands from all over the UK in the Marshall Ultimate Band Contest (as of this moment they are being featured on the front page of the competitions website).

We would like for all our listeners/readers/friends/enemies to take some time and cast a vote , there are some great prizes such as the winner will get a track on the cover CD of Classic Rock Magazine as well as getting official Marshall Artist Endorsement for 1 Year .

To cast a vote for Last Known Addiction visit <http://marshall.licklibrary.com/video/445> obviously the higher the better, they are a great band!

Last Known Addiction will be supporting Girlschool in the Diamond on the 16th October 2010 as well as playing their second RRNI Gig in December supporting Pat McManus. This is on the back off a blinding headline gig they did for our very first RRNI Live @ The Pavilion back in July and we can't wait to have them back !.

Spread the word folks Million Dollar Reload made the cover of Classic Rock Magazine recently and it would be great to have Last Known Addiction follow in those footsteps and i'm sure the guys will find a good use for all that Marshall gear!

Ps any of the Marshall gear yous dont need if you win i'll take off your hands :-)
