Some great news from local rockers Trucker Diablo with a new endorsement deal from Blackstar Amplification

To give you an idea how big this news is, Blackstar also have endorsements with the Lost Prophets, Gus G (Ozzy) , Funeral for a friend and Stereophonics .

We at RRNI are delighted for the guys in Trucker deals like this don't come easy and this can be seen with the number of bands entering the Marshall competition , we will hopefully get to see the new gear in action on the 23rd of October when Trucker Diablo headline our monthly Rock Radio NI Live @ The Pavilion along with Double-Wide + Triggerman.
