I've just added another three Shows to the NI Rocks MixCloud page – those featuring interviews with Nathan James from Inglorious, David Balfour from Maverick and Mixi & Decker from Stitched Up Heart. Shows are usually available for about 8 weeks after broadcast via the On Demand Player. They then get uploaded to the NI Rocks MixCloud page - <https://www.mixcloud.com/NI Rocks/>

There are now 40 uploads on the site featuring 44 interviews –

Steve Overland from FM (Feb 2014), **Hydrogyn** (May 2014), **Chad Cherry** from The Last Vegas (May 2014), **Jeff Keith** from Tesla (May 2014), **Richie**
