

NI ROCKS Playlists for OCTOBER 2016

Written by NI ROCKS

Sunday, 06 November 2016 22:34 -

There are two NI Rocks Shows each week on Rock Radio NI. These are the playlists for those shows for the month of October – all of which are still available from the On Demand Player. There are tracks by over 100 different artists on the Shows this month. Playlists for the previous month are also still available – <http://www.rockradioni.co.uk/news/rrni-updates/2831-ni-rocks-playlists-for-september-2016.html>

Welsh band Those Damn Crows were my guests on the Friday NI Rocks Show on 7th October - <http://www.rockradioni.co.uk/interviews.html>

October was a busy month for new releases (and gigs). I posted 14 new album recommendations during the month – for releases from Black Aces, Alter Bridge, Iron Mask, Heaven Below, The Brew, Killer Bee, Tyketto, Hardline, Eden's Curse, Kee Marcello, Kings of the Sun, Kix, Secret Sphere and Existance. That still left quite a few late October releases to work through and so far in November I've added recommendations for Tygers of Pan Tang, Overland, Darkest Sins, Sixty Miles Ahead & The Answer. <http://www.rockradioni.co.uk/back-stage/music-reviews.html>

The **Friday NI Rocks Show** will feature a mix of new releases, tracks by bands who'll be playing gigs in NI, classic tracks, local bands and some interviews. It is first broadcast at 9pm UK time on a Friday night and is repeated again over the weekend and following days. Shows are also available from the On Demand Player for about 8 weeks following upload - <http://www.rockradioni.co.uk/hosts/ni-rocks-friday-rock-show.html>
