Written by NI ROCKS

Wednesday, 07 November 2018 04:30 -

There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of October – all of which are still available from the On Demand Player and also as podcasts on iTunes. There are tracks by around 150 different artists on the Shows this month. Playlists for September were published previously and these Shows are also available via the On Demand Player – <http://www.rockradioni.co.uk/news/rrii-updates/3458-ni-rocks-playlists-for-september-2018.html>

There were two new interviews on the Friday NI Rocks Show this month – one with guitarist Chris Impellitteri and the other with Mr Big frontman Eric Martin. The latter has already been transcribed and posted on the website and that with Chris will be posted soon as well. In addition, the first Show of November featured an interview with Doug Aldrich. All interviews can be found here - <http://www.rockradioni.co.uk/interviews.htm>
!

I posted 24 album recommendations during October for recent releases by Ethernity, Treat, Snakes In Paradise, Black Majesty, Hardcore Superstar, Dream Patrol, Plainride, Maxxwell, DC4, Dynazty, Emperors of the Wasteland, Electric Citizen, Brainstorm, Atlas, My Merry Machine, Newman, Mia Klose, Hammer King, Hank Erix, Impellitteri, Lizzies, God's Army, Arion and City of Thieves – <http://www.rockradioni.co.uk/back-stage/music-reviews.html> . I've still to post recommendations for a few more albums released at the end of October.

All Shows from the past few years that feature interviews are available from the NI Rocks MixCloud page. The Show featuring the interview with Jennifer Haben from Beyond The Black was added this month - <https://www.mixcloud.com/NIROcks/>
