---

There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of March – all of which are still available from the On Demand Player. There are tracks by around 150 different artists on the Shows this month. Playlists for February were published previously and these Shows are also available via the On Demand Player – <http://www.rockradioni.co.uk/news/rmi-updates/3736-ni-rocks-playlists-for-february-2020.html>

This month the Friday NI Rocks Show included interviews with Chris Appleton from Absolva and Greg Fraser from Storm Force and Brighton Rock. All interviews can be found here - <http://www.rockradioni.co.uk/interviews.html> . There was also a special promo feature/interview with Code Orange to coincide with a new album release.

All Shows from the past few years that feature interviews are available from the NI Rocks MixCloud page - <https://www.mixcloud.com/NIRocks/>
