There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of April – all of which are still available from the On Demand Player. There are tracks by around 140 different artists on the Shows this month. Playlists for March were published previously and these Shows are also available via the On Demand Player – <http://www.rockradioni.co.uk/news/rnri-updates/3750-ni-rocks-playlists-for-march-2020.html>

This month the Friday NI Rocks Show included an interview with guitarist Gus G from Firewind and there was also a repeat of the Chris Appleton interview to mark the release of the new Absolva album. The recent interview with Olof Wikstrand from Enforcer was also repeated on the NI Rocks A-Z Show. All interviews can be found here - <http://www.rockradioni.co.uk/interviews.html> . There was also a special promo features/interview with Trivium on the Friday NI Rocks Show to coincide with their album release.

All Shows from the past few years that feature interviews are available from the NI Rocks MixCloud page - <https://www.mixcloud.com/NIROcks/>

There were album recommendations posted for four April releases – Dynasty, Absolva, Freddy and the Phantoms and Volturian - <http://www.rockradioni.co.uk/back-stage/music-reviews.html>
