There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of May – all of which are still available from the On Demand Player. There are tracks by over 150 different artists on the Shows this month. Playlists for April were published previously and these Shows are also available via the On Demand Player – <http://www.rockradioni.co.uk/news/rmi-updates/3757-ni-rocks-playlists-for-april-2020.html>

This month the Friday NI Rocks Show included a new interview with Merv Goldsworthy from FM, plus a repeat of the interview with guitarist Gus G from Firewind. All interviews can be found here - <http://www.rockradioni.co.uk/interviews.html> .

All Shows from the past few years that feature interviews are available from the NI Rocks MixCloud page - <https://www.mixcloud.com/NIROcks/>

I've posted album recommendations for May releases from Mike Tramp, Blended Brew, Devicious, Axel Rudi Pell, Ryders Creed and Firewind. There are a few more still to post. <http://www.rockradioni.co.uk/back-stage/music-reviews.html>
