There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of July – all of which are still available from the On Demand Player. There are tracks by over 165 different artists on the Shows this month. Playlists for June were published previously and these Shows are also available via the On Demand Player – <http://www.rockradioni.co.uk/news/rmi-updates/3777-ni-rocks-playlists-for-june-2020.html>

This month the Friday NI Rocks Show included a new interview with Australian singer and guitarist Laura Wilde. All interviews can be found here - <http://www.rockradioni.co.uk/interviews.html> .

All Shows from the past few years that feature interviews are available from the NI Rocks MixCloud page - <https://www.mixcloud.com/NIROcks/>

During July, I uploaded the 500th edition of the Friday NI Rocks Show, which was first broadcast back in August 2010. During that time we've played over 8,200 tracks by around 1,450 different artists. We've also done 113 interviews and had around 30 other promotional interviews provided to us.
