---

There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of October – all of which are still available from the On Demand Player. There are tracks by around 140 different artists on the Shows this month. Playlists for September were published previously and these Shows are also available via the On Demand Player – <http://www.rockradioni.co.uk/news/rrii-updates/3786-ni-rocks-playlists-for-september-2020.html>

This month the Friday NI Rocks Shows included a repeat of the recent interview with Elize Ryd from Amaranthe to coincide with the release of their new album.

In addition there were special promo features with Joe Bonnamassa, Sevendust and Black Stone Cherry to coincide with the release of their new albums during the month.

All Shows from the past few years that feature interviews are available from the NI Rocks MixCloud page - <https://www.mixcloud.com/NIROcks/>  
/ here - <http://www.rockradioni.co.uk/interviews.html> - and all interviews can be found
