There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of March – all of which are still available from the On Demand Player. There are tracks by around 140 different artists on the Shows this month. Playlists for February were published previously and these Shows are also available via the On Demand Player – <http://www.rockradioni.co.uk/back-stage/music-reviews/3799-ni-rocks-recommends-album-releases-february-2021.html>

There were new interviews this month with Ricky Warwick, Chez Kane, Gary Hughes and Mark Mangold. All interviews can be found here - <http://www.rockradioni.co.uk/interviews.html> and on the NI Rocks MixCloud page eventually as well - <https://www.mixcloud.com/NIROcks/>

The “NI Rocks Recommends” feature for March included album releases from Mason Hill, Ronnie Atkins, Chez Kane, Thunder, Sunstorm, Heart Healer, Gary Hughs and Touch. A few more might still be added.
