There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of May – all of which are still available from the On Demand Player. There are tracks by around 140 different artists on the Shows this month. Playlists for April were published previously and most of those Shows are also available via the On Demand Player – <http://www.rockradioni.co.uk/news/rmi-updates/3810-ni-rocks-playlists-for-april-2021.html>

There was a new interview this month with Tom Harte from local band Trucker Diablo and with singer Robin McAuley who released a new solo album in May. All interviews can be found here - <http://www.rockradioni.co.uk/interviews.html> and most are on the NI Rocks MixCloud page as well - <https://www.mixcloud.com/NIRocks/>

The “NI Rocks Recommends” feature for May included album releases from Sara Baldwin, Trucker Diablo, Diamante, Robin McAuley, Skarlett Riot, Sumo Cyco, Sonic Haven, Sunbomb, Levara, Kikimora, Myles Kennedy and Thundermother.

The **Friday NI Rocks Show** is two hours long and will feature a mix of new releases, tracks by bands who’ll be playing gigs in NI, classic tracks, local bands and some interviews. Shows are available from the On Demand Player for about 8 weeks following upload - <http://www.rockradioni.co.uk/hosts/ni-rocks-friday-rock-show.html>
