Written by NI ROCKS

Tuesday, 06 July 2021 22:35 - Last Updated Thursday, 05 August 2021 12:36

---

There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of June – all of which are still available from the On Demand Player. There are tracks by around 170 different artists on the Shows this month. Playlists for May were published previously and most of those Shows are also available via the On Demand Player – <http://www.rockradioni.co.uk/news/rmi-updates/3814-ni-rocks-playlists-for-may-2021.html>

There were no new interviews this month but there was a special promo feature with Wolfgang Van Halen. All earlier interviews can be found here - <http://www.rockradioni.co.uk/interviews.html> and on the NI Rocks MixCloud page as well - <https://www.mixcloud.com/NI Rocks/> .

The “NI Rocks Recommends” feature for June included album releases from Flotsam & Jetsam, Midnite City, Brother Against Brother, Mammoth WVH, Crowne, Timo Tolkki’s Avalon, Social Disorder, Constanica, Buckcherry and King Company.
