---

There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of July – all of which are still available from the On Demand Player. There are tracks by around 180 different artists on the Shows this month. Playlists for June were published previously and most of those Shows are also available via the On Demand Player – <http://www.rockradioni.co.uk/news/rmi-updates/3816-ni-rocks-playlists-for-june-2021.html>

This month I've created a Spotify playlist for the Friday NI Rocks Show that features as many of the tracks as I can find. There is a July playlist and I'll do one for each month in future.

There were no new interviews this month but there was a re-run of a recent interview with singer Robin McAuley as well as a special promo feature with Devin Townsend. All earlier interviews can be found here - <http://www.rockradioni.co.uk/interviews.html> and on the NI Rocks MixCloud page as well - <https://www.mixcloud.com/NIROcks/>

The "NI Rocks Recommends" feature for July included album releases from Hardline, Laurene/Louhimo, Strykenine, Big City, Heaven & Earth, Shotgun Mistress, Resurrection Kings, Rian, Lee Aaron, Lucer, Stephen Crane & Duane Sciacquo and Dee Snider. A couple more releases were also added to the June recommendations – Constanica and King Company.
