

NI ROCKS Playlists for AUGUST 2021

Written by NI ROCKS

Wednesday, 15 September 2021 14:48 - Last Updated Wednesday, 15 September 2021 14:51

There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of August 2021 – all of which are still available from the On Demand Player. There are tracks by around 170 different artists on the Shows this month. Playlists for July were published previously and most of those Shows are also available via the On Demand Player – <http://www.rockradioni.co.uk/news/rrn-i-updates/3818-ni-rocks-playlists-for-july-2021.html>

I've created monthly Spotify playlists for the Friday NI Rocks Show that feature as many of the tracks from each month's Shows as I can find. There are playlists available for July, August and now September.

There were no new interviews this month. All earlier interviews can be found here - <http://www.rockradioni.co.uk/interviews.html> and on the NI Rocks MixCloud page as well - <https://www.mixcloud.com/NIROcks/>

The "NI Rocks Recommends" feature for August included album releases from Alirio, Blood Red Saints, Circus of Rock, Cruzh, Long Shadows Dawn, Nightranger, Steel Rhino and Black Swamp Water. I also added The Quireboys to the July recommendations.

.

The **Friday NI Rocks Show** is two hours long and will feature a mix of new releases, tracks by bands who'll be playing gigs in NI, classic tracks, local bands and some interviews. Shows are available from the On Demand Player for about 8 weeks following upload -
