

NI ROCKS Playlists for SEPTEMBER 2021

Written by NI ROCKS

Friday, 01 October 2021 23:23 - Last Updated Friday, 01 October 2021 23:25

There are two NI Rocks Shows uploaded each week on Rock Radio NI. These are the playlists for those shows for the month of September – all of which are still available from the On Demand Player. There are tracks by around 150 different artists on the Shows this month. Playlists for August were published previously and most of those Shows are also available via the On Demand Player — <http://www.rockradioni.co.uk/news/rni-updates/3820-ni-rocks-playlists-for-august-2021.html>

I've created monthly Spotify playlists for the Friday NI Rocks Show that feature as many of the tracks from each month's Shows as I can find. There are playlists available for July, August and September.

There were no new interviews this month, but earlier interviews with Joel Hoekstra and Ricky Warwick were repeated on a Show whilst I was off on holiday. A new interview with Danny Danzi was recorded in September and appears on the Show on 1st October. There was also a special promo feature with Mark Tremonti on one of the Shows.

All earlier interviews can be found here - <http://www.rockradioni.co.uk/interviews.html> and on the NI Rocks MixCloud page as well - <https://w>

The **Friday NI Rocks Show** is two hours long and will feature a mix of new releases, tracks by bands who'll be playing gigs in NI, classic tracks, local bands and some interviews. Shows are available from the On Demand Player for about 8 weeks following upload -
